

REMARKS

Claims 1, 3-9 and 11-13 are pending. Reconsideration is requested.

* * *

The Advisory Action indicates that only the nonstatutory obviousness-type double patenting rejections are pending, but that the previously filed terminal disclaimers regarding Patents 6,638,317 and 9,963,830 were not accepted. (See, Advisory Action, Continuation Sheet to block 11).

Corrected terminal disclaimers are filed this date:

Thus, with acceptance of the same, Applicant submits that the rejections should be withdrawn and the application placed in condition for allowance. An early action to that effect is courteously solicited.

Finally, if there are any formal matters remaining after this response, the Examiner is requested to telephone the undersigned to attend to these matters.

If there are any additional fees associated with filing of this Response, please charge the same to our Deposit Account No. 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP
